Partnership in Missions

Dan & Oksana Johnson
New Life Radio

The Johnsons have just recently returned from Odessa where they have been working on getting their new radio facility ready.

Construction is moving along and renovations are going well. One challenge is making sure that the sound isolation and acoustics are done to help lessen the impact on the neighbors. Thus, they are seeking Christian workers with carpeting skills to embark on a ten-day mission in mid-November. If you know anyone or are interested yourself, please contact Daniel Johnson at NLRadioUSA@gmail.com

Please pray for continued protection for their buildings from Russian missiles and drones. Also, pray that their signals will be able to be received in Russia as censorship is very prevalent.
