Dan & Oksana Johnson
New Life Radio International

August and September were months of ongoing technical upgrading and repairs. Late evening on September 12, a Russian drone hit the second tower of the Manhattan building were Dan and Oksana Johnson have an apartment. It is adjacent to the station which was unharmed. They are grateful to the Lord for His hand of protection, and they boldly continue to broadcast the Gospel despite the increase of attacks made on this city. NLR is still on the air. Please pray for the Johnsons as they are in Ukraine again to minister in a war zone. Their radio ministry delivers expository teaching of the scriptures by inspired men of God who help their audience understand what the Bible expressly states and means.
